Hello LAPD, LADBS and DCP:

In gearing up for Thursday's 2PM press conference re: nightclubs in Hollywood, I am hoping you can provide me with an additional piece(s) of information.

We would like to have on hand a *list* of violations at the Cashmere club -- CUP violations, citations, infractions, etc.

While we will definitely be sensitive with what information is shared -- keeping in mind the upcoming hearing -- we would like to have as much background information as possible regarding the "universe" of violations at this club.

Please advise, and thanks again --

We are OK with mentioning death. FYI coroner has deferred cause of death, pending toxicology. This could be determined a natural. However, still involved a group fight and some claimed the club had attempted to remove the victim from the club, after he was unconscious, to avoid controversy.

**ADVISORY: O'FARRELL TO ADDRESS STATE OF NIGHTCLUB
CULTURE IN HOLLYWOOD**

HOLLYWOOD - Los Angeles City Councilmember Mitch

O'Farrell, joined by the Los Angeles Police

Department, will make a statement regarding recent

permit violations at a popular nightclub venue,

while also encouraging other nightlife

establishments to strive for a safer Hollywood that lives up to its world-class brand.

O'Farrell will comment on these recent permit violations, and dangerous incidents related to the nightclub culture, during a press event on Thursday, October 8, 2 p.m., on the southeast corner of Hollywood Blvd and Las Palmas Ave, Los Angeles, CA 90028.

The Councilmember will be joined by a representative from the Los Angeles Police Department [PLEASE CONFIRM], the Department of Building and Safety [PLEASE CONFIRM], and members of the Hollywood community.

When operating a club in the City of Los Angeles, establishments must receive a conditional use permit from the City. The permit dictates various guidelines for operation, which could include hours of operation, age restrictions, alcohol and food sales, capacity, and promotions. Many clubs in Hollywood have been cited for violating these types of conditions.

In August 2015, a 20-year old male died at a Hollywood nightclub, and in a separate incident last Fall, investigators say a female college student was sexually assaulted.

FYI, From the IO, Hey LT, got your email but I can't reply to email from home. So, I'm sending you this text message. As far as the Cashmere case is concerned, the Coroner, Dr. Ortiz, indicated that he was 90% sure that the victim's death was not related to trauma, and would likely rule it natural related to alcohol consumption. This was pending review of medical records and a brain exam. I have not listened to the 911 calls yet, but I did interview one of the primary PRs. Their statement was the club personnel wanted to move the victim outside of the club after he was found collapsed but the PR told them not to based on his EMT training. I will review the 911 tapes Monday to verify if he told any of that to the dispatcher. Hope this helps. Let me know if you need anything else.

FYI, From the IO, Hey LT, got your email but I can't reply to email from home. So, I'm sending you this text message. As far as the Cashmere case is concerned, the Coroner, Dr. Ortiz, indicated that he was 90% sure that the victim's death was not related to trauma, and would likely rule it natural related to alcohol consumption. This was pending review of medical records and a brain exam. I have not listened to the 911 calls yet, but I did interview one of the primary PRs. Their statement was the club personnel wanted to move the victim outside of the club after he was found collapsed but the PR told them not to based on his EMT training. I will review the 911 tapes Monday to verify if he told any of that to the dispatcher. Hope this helps. Let me know if you need anything else.

We are OK with mentioning death. FYI coroner has deferred cause of death, pending toxicology. This could be determined a natural. However, still involved a group fight and some claimed the club had attempted to remove the victim from the club, after he was unconscious, to avoid controversy.

Kim and John,

Please see the draft press release regarding enforcement at the Cashmere nightclub at the bottom of the below thread. Council member O'Farrell wants to have a press conference regarding Cashmere and other nightlife issues.

The below draft references the recent homicide at Cashmere and a sexual assault there last October 30th. I need to know if either of your IO's has an issue mentioning these cases in the manner described below.

Also, if there is there is anything that the press could help with in either case.

Thanks,

ADVISORY: O'FARRELL TO ADDRESS STATE OF
NIGHTCLUB CULTURE IN HOLLYWOOD

HOLLYWOOD - Los Angeles City Councilmember
Mitch O'Farrell, joined by the Los Angeles
Police Department, will make a statement
regarding recent permit violations at a
popular nightclub venue, while also
encouraging other nightlife establishments
to strive for a safer Hollywood that lives

up to its world-class brand.

O'Farrell will comment on these recent permit violations, and dangerous incidents related to the nightclub culture, during a press event on Thursday, October 8, 2 p.m., on the southeast corner of Hollywood Blvd and Las Palmas Ave, Los Angeles, CA 90028.

The Councilmember will be joined by a representative from the Los Angeles Police Department [PLEASE CONFIRM], the Department of Building and Safety [PLEASE CONFIRM], and members of the Hollywood community.

When operating a club in the City of Los Angeles, establishments must receive a conditional use permit from the City. The permit dictates various guidelines for operation, which could include hours of operation, age restrictions, alcohol and food sales, capacity, and promotions. Many clubs in Hollywood have been cited for violating these types of conditions.

In August 2015, a 20-year old male died at a Hollywood nightclub, and in a separate incident last Fall, investigators say a female college student was sexually assaulted.

ADVISORY: O'FARRELL TO ADDRESS STATE OF NIGHTCLUB CULTURE IN HOLLYWOOD

HOLLYWOOD - Los Angeles City Councilmember Mitch O'Farrell, joined by the Los Angeles Police Department, will make a statement regarding recent permit violations at a popular nightclub venue, while also encouraging other nightlife establishments to strive for a safer Hollywood that lives up to its world-class brand.

O'Farrell will comment on these recent permit violations, and dangerous incidents related to the nightclub culture, during a press event on Thursday, October 8, 2 p.m., on the southeast corner of Hollywood Blvd and Las Palmas Ave, Los Angeles, CA 90028.

The Councilmember will be joined by a representative from the Los Angeles Police Department [PLEASE CONFIRM], the Department of Building and Safety [PLEASE CONFIRM], and members of the Hollywood community.

When operating a club in the City of Los Angeles, establishments must receive a conditional use permit from the City. The permit dictates various guidelines for operation, which could include hours of operation, age restrictions, alcohol and food sales, capacity, and promotions. Many clubs in Hollywood have been cited for violating these types of conditions.

In August 2015, a 20-year old male died at a Hollywood nightclub, and in a separate incident last Fall, investigators say a female college student was sexually assaulted.

ADVISORY: O'FARRELL TO ADDRESS STATE OF NIGHTCLUB CULTURE IN HOLLYWOOD

HOLLYWOOD - Los Angeles City Councilmember Mitch O'Farrell, joined by the Los Angeles Police Department, will make a statement regarding recent permit violations at a popular nightclub venue, while also encouraging other nightlife establishments to strive for a safer Hollywood that lives up to its world-class brand.

O'Farrell will comment on these recent permit violations, and dangerous incidents related to the nightclub culture, during a press event on Thursday, October 8, 2 p.m., on the southeast corner of Hollywood Blvd and Las Palmas Ave, Los Angeles, CA 90028.

The Councilmember will be joined by a representative from the Los Angeles

Police Department [PLEASE CONFIRM], the Department of Building and Safety [PLEASE CONFIRM], and members of the Hollywood community.

When operating a club in the City of Los Angeles, establishments must receive a conditional use permit from the City. The permit dictates various guidelines for operation, which could include hours of operation, age restrictions, alcohol and food sales, capacity, and promotions. Many clubs in Hollywood have been cited for violating these types of conditions.

In August 2015, a 20-year old male died at a Hollywood nightclub, and in a separate incident last Fall, investigators say a female college student was sexually assaulted.

As far as the Cashmere case is concerned, the Coroner, Dr. Ortiz, indicated that he was 90% sure that the victim's death was not related to trauma, and would likely rule it natural related to alcohol consumption. This was pending review of medical records and a brain exam. I have not listened to the 911 calls yet, but I did interview one of the primary PRs. Their statement was the club personnel wanted to move the victim outside of the club after he was found collapsed but the PR told them not to based on his EMT training. I will review the 911 tapes Monday to verify if he told any of that to the dispatcher. Hope this helps. Let me know if you need anything else.

ADVISORY: O'FARRELL TO ADDRESS STATE OF NIGHTCLUB CULTURE IN HOLLYWOOD

HOLLYWOOD - Los Angeles City Councilmember Mitch O'Farrell, joined by the Los Angeles Police Department, will make a statement regarding recent permit violations at a popular nightclub venue, while also encouraging other nightlife establishments to strive for a safer Hollywood that lives up to its world-class brand.

O'Farrell will comment on these recent permit violations, and dangerous incidents related to the nightclub culture, during a press event on Thursday, October 8, 2 p.m., on the southeast corner of Hollywood Blvd and Las Palmas Ave, Los Angeles, CA 90028.

The Councilmember will be joined by a representative from the Los Angeles Police Department [PLEASE CONFIRM], the Department of Building and Safety [PLEASE CONFIRM], and members of the Hollywood community.

When operating a club in the City of Los Angeles, establishments must receive a conditional use permit from the City. The permit dictates various guidelines for operation, which could include hours of operation, age restrictions, alcohol and food sales, capacity, and promotions. Many clubs in Hollywood have been cited for violating these types of conditions.

In August 2015, a 20-year old male died at a Hollywood nightclub, and in a separate incident last Fall, investigators say a female college student was sexually assaulted.

FYI, From the IO, Hey LT, got your email but I can't reply to email from home. So, I'm sending you this text message. As far as the Cashmere case is concerned, the Coroner, Dr. Ortiz, indicated that he was 90% sure that the victim's death was not related to trauma, and would likely rule it natural related to alcohol consumption. This was pending review of medical records and a brain exam. I have not listened to the 911 calls yet, but I did interview one of the primary PRs. Their statement was the club personnel wanted to move the victim outside of the club after he was found collapsed but the PR told them not to based on his EMT training. I will review the 911 tapes Monday to verify if he told any of that to the dispatcher. Hope this helps. Let me know if you need anything else.

ADVISORY: O'FARRELL TO ADDRESS STATE OF
NIGHTCLUB CULTURE IN HOLLYWOOD

HOLLYWOOD - Los Angeles City Councilmember
Mitch O'Farrell, joined by the Los Angeles
Police Department, will make a statement
regarding recent permit violations at a
popular nightclub venue, while also
encouraging other nightlife establishments
to strive for a safer Hollywood that lives

up to its world-class brand.

O'Farrell will comment on these recent permit violations, and dangerous incidents related to the nightclub culture, during a press event on Thursday, October 8, 2 p.m., on the southeast corner of Hollywood Blvd and Las Palmas Ave, Los Angeles, CA 90028.

The Councilmember will be joined by a representative from the Los Angeles Police Department [PLEASE CONFIRM], the Department of Building and Safety [PLEASE CONFIRM], and members of the Hollywood community.

When operating a club in the City of Los Angeles, establishments must receive a conditional use permit from the City. The permit dictates various guidelines for operation, which could include hours of operation, age restrictions, alcohol and food sales, capacity, and promotions. Many clubs in Hollywood have been cited for violating these types of conditions.

In August 2015, a 20-year old male died at a Hollywood nightclub, and in a separate incident last Fall, investigators say a female college student was sexually assaulted.
